TESTIMONIAL

The Ciments Français Singapore Representative Office started looking for new office space in the second half of 2008.

We selected the Commercial property consultants CORPORATE LOCATIONS (S) Pte Ltd to search for the new office, as we had been contacted by them several years earlier, and had found them remarkably professional in their analysis of the Singapore office market, as well as proactive in feeding us regularly with accurate and useful information about the office real estate trends in Singapore.

In the search, we were served by Ms. Valerie Lim, Senior Marketing Executive. We were impressed by Valerie's competence, professionalism and pleasant personality. Attentive and reactive to our requests, Valerie was always willing to go that extra mile to make sure our expectations were met and surpassed. She knows her business very well, and we were able to make our final choice quickly and efficiently, thanks to her valuable help.

We would not hesitate to recommend anyone looking for a commercial real estate transaction to use the services of CORPORATE LOCATIONS and Valerie, and we would certainly use them again in the future, should the need arise.
