Dear Clifton,

I am writing to corporate locations to give my sincere thanks for the professional work Saxon Financials Singapore received from you.

I have prepared the testimony below to show our support for you:-

'The all round service I received from Corporate locations was excellent. They were professional and caring to our needs from the beginning to end. I would not hesitate to recommend corporate locations for any company looking to relocate or start up in Singapore.'

Brett Traynor
Director
Saxon Financials Singapore PTE LTD

Yours faithfully
