To Whom It May Concern:

I would like to thank Mr. Darren Ng from Corporate Location(S) Pte Ltd for his excellent work in finding the perfect office space for Etihad Airways PJSC recently. We sought Darren's expertise to search for a suitable new Sales office amidst the recovery of the airline/travel industry, which was hit hard by Covid 19.

Having worked with us in acquiring our previous office prior pandemic, he knew exactly what the requirements were and carefully shortlisted properties that made it easy and quick, for our final decision.

The entire process was seamless, from the accompanied viewings and assisting through our negotiations with the landlord expeditiously. Darren has truly demonstrated his capability and strong business knowledge in the field.

Above all, Darren's willingness and patience to be flexible towards working around my hectic schedule was of utmost importance and it is most appreciated.

Thus, I would highly recommend Darren to those seeking the perfect office location.

Yours Sincerely,

Joanna Patterson
